

Clicker 5 HELP SHEET

How do I install and run the Clicker 5 evaluation version CD

This evaluation version has all the features of the full version, with the exception of saving Clicker Writer Documents (you can save Grid Sets though), and printing. The full version also includes the child-friendly Sassoon font. Windows users may not see this font in the evaluation version.

When you put the Clicker 5 evaluation version CD into the CD Rom it will open and show you the following screens. Just follow the prompts. Please ensure that your computer is connected to the internet so that it can be registered.
